Come and hear Ralph McMullen present how to preside over large and small groups, to teach different age groups, and to manage volunteers involved in different demographics of federal, state, local, non-profit, and private sectors. Ralph McMullen's instructions will prepare us for the upcoming county, state, and national GOP conventions. We will learn how to:

- Preside over and organize meetings (including contentious meetings!),
- Handle a motion,
- Handle debates,
- Utilize marketing and fundraising basics,
- And much more!

On a personal level, Mr. McMullen's presentation will assist us in many aspects of our professional and personal lives as well.

Mr. McMullen has been active both politically and in community based organizations his entire life and presently serves as President of the National Association of Parliamentarians.

The National Association of Parliamentarians is the largest non-profit association of parliamentarians in the world. NAP is dedicated to the study, promotion, and use of parliamentary procedure as the basis of democratic process during meetings worldwide. Robert's Rules of Order Newly Revised is the parliamentary authority that is used by the NAP.
